

Guidelines for submitting proposals

tank.tech

International Conference

May 7 – 8, 2024, Fürstfeldbruck near Munich, Germany

If you are interested in presenting a paper, please submit an abstract by email until October 25, 2023 to TÜV SÜD Akademie GmbH, Ute Alius (ute.alius@tuvsud.com).

Format guidelines

- Abstracts must be submitted in PDF format
- Maximum of 2 DIN A4 pages
- There are no special format templates

Deadlines

- Abstracts submission deadline: October 25, 2023
- Notification of authors: Late November 2023

Your abstract should include:

- **Title** of the abstract
- **Author and co-authors**, including company address, phone number and email address. Please list all authors who contributed to the work discussed in the abstract and indicate the main (presenting) author.
- **Primary theme and topic**: please indicate the area and the topic (according to the list in the call for papers) in which the abstract fits.
- **Abstract**: short summary of contents; please ensure that your abstract contain at a minimum the following:
 - background / objective / purpose
 - Results
 - Conclusions
- **Already published?** Already presented papers should be declared.

The conference presentations are in general limited to 20 - 25 minutes lecture plus 5 minutes for Q&A.

The conference languages are German and English. A simultaneous translation into English will be provided for presentations given in German.
