

Instructions of Certification and Accreditation Marks

1. Conditions on Use of Certification Marks and Accreditation Marks.

- 1.1 The conditions on the use of the Certification Marks and Accreditation Marks are described in the [Technical Requirements MS Certification](#)
- 1.2 The Client shall obtain permission from TÜV SÜD Indonesia on the use of the Marks to get approval prior to printing. Any unauthorized use of the Marks may result in the suspension or withdrawal of certificate. Client could email the request to Ms Lely Herlina herlina.lely@tuvsud.com or Mr David Sutrisno david.sutrisno@tuvsud.com.
- 1.3 The certificate number shall be clearly identified together with use of the Marks.
- 1.4 Each certified organisations is given an Award Letter, which will indicate clearly the Marks it is allowed to use. In addition, the allowed Marks are printed on the Certificate.
- 1.5 The Accreditation Mark is to be used together with the respective Certification Mark. They are not to be used on their own.
- 1.6 The Marks being used must be arranged side-by-side, either horizontally or vertically. They can also be enclosed within the box. This will ensure that the Marks are use in conjunction with each other.
- 1.7 Refer to the specimens of the Marks for the color breakdown and the types and sizes of fonts.

2. Clause of the General Terms and Conditions specify the correct use of the Marks

1. The issue of the Certificate entitles the organisation to use the relevant TÜV SÜD Certification Mark(s) and accreditation mark in accordance with the provisions set out therein. If the Certificate bears an accreditation Mark, or the organisation has been advised that TÜV SÜD Indonesia is accredited for the process(es) certified, then the appropriate accreditation Mark(s) may be used together with the relevant TÜV SÜD Certification Mark(s).
2. The TÜV SÜD Certification Mark shall only be used by the certified organisation and shall always be used in conjunction with the organisation's name, certificate number (**optional – depends on the artwork design**) and in connection with the process(es) listed in the Certificate. A copy of the use of the TÜV SÜD Certification Mark(s) and accreditation Marks shall be provided upon registration of the Certificate.
3. The TÜV SÜD Certification Mark(s) and accreditation Marks may be used:
 - in outdoor advertising/advertising in the reception area;
 - in corporate videos;
 - in corporate presentations;
 - in organisation brochures;
 - on business stationery;
 - in advertisements and catalogs;
 - on posters;
 - at trade-fair stands;
 - within the scope of marketing campaigns;
 - at events;
 - on the organisation's website;
 - on the Internet and Intranet;
 - in newsletters to clients and staff;
 - letterheads of the organisation;
 - on business cards

The organisation shall identify the processes to which the Certificate applies when using the Marks in a context where the scope of the certification is in doubt.
4. The Marks shall not be directly applied on the organisation's product and its packaging or be associated with the organisation's product in such a way as to imply that the product itself is certified by TÜV SÜD Indonesia.

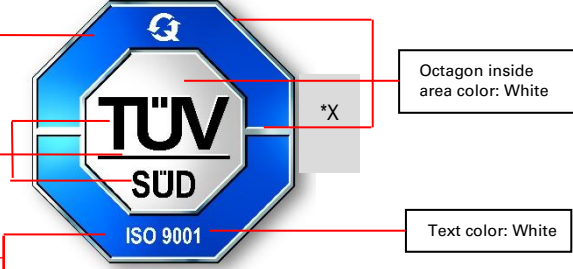

Instructions of Certification and Accreditation Marks

Indonesia

5. The Marks shall not be applied to laboratory test, calibration or inspection reports and certificates, email signature and certificate attendance.
6. Textual presentation
The use text to advertise a successful certification, is allowed. There shall not be any additional statements that go beyond the actual contents of the certification mark nor shall there be any falsifying or misleading statements.
Examples of permitted statements:
"Our quality Management System is certified according to ISO 9001",
"Our organisation is certified according to ISO 9001",
"Quality Management System certified by TÜV SÜD Indonesia according to ISO 9001".
Examples of non-permitted statements:
"Our quality is certified according to ISO 9001",
"Excellent performance based on certification according to ISO 9001",
"Top consulting based on our certification according to ISO 9001"
7. The organisation shall discontinue immediately the use of the Marks upon expiry or revocation of the Certificate, or for whatever reason(s) as decided by TÜV SÜD Indonesia.
8. All materials including but not limited to letterheads and advertisement brochures containing the Marks shall be submitted for TÜV SÜD Indonesia's written approval prior to their use and or release to the public.
9. Upon any reduction of the scope(s) of certification, all materials including but not limited to letterheads and advertisement brochures containing the Marks shall be submitted for TÜV SÜD Indonesia's written approval prior to their use and or release to the public.

Instructions of Certification and Accreditation Marks

Indonesia

4. Misuse of Certificate and Certification Mark

- 4.1 In the event that accreditation of TÜV SÜD Indonesia is suspended or withdrawn by the accreditation body, TÜV SÜD Indonesia will take immediate actions to discontinue the use of all advertising materials and related documents containing any reference to the accreditation.
- 4.2 If client is suspected of misusing the certificate or the Marks, Admin or an appointed officer will investigate and recommend the appropriate actions to be taken.
- 4.3 If client is found to misuse the certificate or the Marks, the following actions will be taken:
 - For any misuse, which is considered minor, the client will be warned in writing by Certification Manager not to repeat the mistake. The client also has to officially inform TÜV SÜD Indonesia that it will not repeat the mistake
 - For any misuse, which affects the integrity of the certification scheme, Certification Manager will submit a recommendation for the Certificate to be withdrawn.
- 4.4 The publication of transgression by the client and legal action against the client, if necessary, will be taken if directed by Management.
