4. Use of Accreditation Marks

- 4.1 In the event that accreditation of TÜV SÜD Indonesia is suspended or withdrawn by the accreditation body, TÜV SÜD Indonesia will take immediate actions to discontinue the use of all advertising materials and related documents containing any reference to the accreditation
- 4.2 If client is suspected of misusing the certificate or the Marks, Admin or an appointed officer will investigate and recommend the appropriate actions to be taken.
- 4.3 If client is found to misuse the certificate or the Marks, the following actions will be taken:
 - For any misuse, which is considered minor, the client will be warned in writing by Certification Manager not to repeat the mistake. The client also has to officially inform TÜV SÜD Indonesia that it will not repeat the mistake
 - For any misuse, which affects the integrity of the certification scheme, Certification Manager will submit a recommendation for the Certificate to be withdrawn.
- 4.4 The publication of transgression by the client and legal action against the client, if necessary, will be taken if directed by Management.
