## TÜV SÜD Singapore launches Academy E-Store

Singapore. TÜV SÜD PSB, a leading certification, testing, auditing, inspection, and training company with German roots announced the launch of [academy e-store for Singapore](#). The e-commerce platform vouches for an exciting online experience for the customers to enroll on a host of training programmes available in multiple learning modes – classroom, virtual, and e-learning across quality, safety, compliance, security, and sustainability spaces.

Over the years, as a trusted training partner, TÜV SÜD in Singapore has delivered classroom, virtual, blended and e-learning training solutions to various sectors such as Automotive, IT, Food, Real Estate, Medical Health Devices, Electronical and Electronics to name a few in compliance, quality, safety, security, and sustainability spaces. The launch of e-store is step towards providing individuals and companies an option to buy and learn online. Announced with a specific range of trainings, the store will progressively add more training programmes to be sold online. To know more about TÜV SÜD Singapore's Academy e-store, visit <https://www.tuvsud.com/en-sg/store/academy-sg>.

“We are delighted to announce the launch of the new e-store for the TÜV SÜD Academy in Singapore,” said Mr. Foo Soo Guan, Senior Vice President - Business Assurance, TÜV SÜD ASEAN. “Our primary goal is to address the increasing demand for upskilling and reskilling in Singapore with a focus on providing accessible training solutions for individuals and organisations alike. The Singapore e-store offers a wide selection of cutting-edge training programs that participants can easily book and access at their convenience. We are committed to not only expanding our online training offerings but also ensuring that we remain at the forefront of the ever-evolving job market, keeping up with the latest trends and innovations. This commitment extends to maintaining the flexibility to accommodate in-house training to meet the diverse needs of our valued clients.”

The TÜV SÜD Academy in Singapore has been catering to the learning needs of professionals in the country. With more than 200 training topics, these trainings are designed and developed

by industry experts with an objective to equip the learner with the latest information, technology and use cases and hone their ability to apply their knowledge in the dynamic business environment.
