

**INSTRUCTIONS TO CERTIFIED  
ORGANISATIONS ON THE USE  
OF TÜV SÜD PSB  
CERTIFICATION AND  
ACCREDITATION MARKS**

- 1 Use of the Marks is governed by the Testing and Certification Regulations, TÜV SÜD Group and Clause 8 of the Technical Requirements for Management System Certification:

**8 Use of the TÜV SÜD PSB Certification Marks and Accreditation Marks (“Collectively the Marks”)**

- 8.1 The issue of the Certificate entitles the organization to use the relevant TÜV SÜD PSB Mark(s) in accordance with the provisions set out therein. If the Certificate bears an accreditation Mark, or the organization has been advised that TÜV SÜD PSB is accredited for the process(es) certified, then the appropriate accreditation Mark(s) may be used together with the relevant TÜV SÜD PSB certification Mark(s).
- 8.2 The TÜV SÜD PSB Mark shall only be used by the certified organization and shall always be used in conjunction with the organization’s name, certificate number (optional – depends on the artwork design) and in connection with the process(es) listed in the Certificate. A copy of the use of the TÜV SÜD PSB certification Mark(s) and accreditation Marks shall be provided upon registration of the Certificate.
- 8.3 The TÜV SÜD PSB certification Mark(s) and accreditation Marks may be used
- in outdoor advertising/advertising in the reception area;
  - in corporate videos;
  - in corporate presentations;
  - in company brochures;
  - on business stationery;
  - in advertisements and catalogs;
  - on posters;
  - at trade-fair stands;
  - within the scope of marketing campaigns;
  - at events;
  - on the organization’s website;
  - on the Internet and Intranet;
  - in newsletters to clients and staff
  - letterheads of the organization
  - on business cards

The organization shall identify the processes to which the Certificate applies when using the Marks in a context where the scope of the certification is in doubt.

- 8.4 The Marks shall not be directly applied on the organization’s product and its packaging or be associated with the organization’s product in such a way as to imply that the product itself is certified by TÜV SÜD PSB.

**In addition, use of any statement on product packaging that the client has a certified FSMS, is prohibited. This includes all product packaging, both primary packaging (which contains the product) and any outer or secondary packaging.**

- 8.5 The Marks shall not be applied to laboratory test, calibration or inspection reports, certificates, email signature, invoices and certificate attendance.

8.6 Textual presentation

The use text to advertise a successful certification, is allowed. There shall not be any additional statements that go beyond the actual contents of the certification mark nor shall there be any falsifying or misleading statements.

Examples of permitted statements:

**INSTRUCTIONS TO CERTIFIED  
ORGANISATIONS ON THE USE  
OF TÜV SÜD PSB  
CERTIFICATION AND  
ACCREDITATION MARKS**

“Our quality management system is certified according to ISO 9001”,

“Our energy management is certified according to ISO 50001”,

“Our organization is certified according to ISO 9001”,

“Quality management system certified by TÜV SÜD PSB Pte Ltd according to ISO 9001”,

Examples of non-permitted statements:

“Our quality is certified according to ISO 9001”,

“Excellent performance based on certification according to ISO 9001”,

“Top consulting based on our certification according to ISO 9001”

- 8.7 The organization shall discontinue immediately the use of the Marks upon expiry or revocation of the Certificate, or for whatever reason(s) as decided by TÜV SÜD PSB.
- 8.8 All materials including but not limited to letterheads and advertisement brochures containing the Marks shall be submitted for TÜV SÜD PSB’s written approval prior to their use and or release to the public.
- 8.9 Upon any reduction of the scope(s) of certification, all materials including but not limited to letterheads and advertisement brochures containing the Marks shall be submitted for TÜV SÜD PSB’s written approval prior to their use and or release to the public.

- 2 Each certified organization is given a Certificate, which will indicate the Marks allowed for use.
- 3 A certified organization may use the given Accreditation Mark. However, the Accreditation Mark must be used together with the respective certification Mark. The Marks are to be positioned side-by-side and boxed up together.
- 4 Refer to the specimens of the Marks for the colour breakdown and the types and sizes of fonts.
- 5 Refer to the attachment for the examples of use of the Marks.
- 6 Approval from TÜV SÜD PSB is required for the use of the Mark prior to printing. You could email your request to Ms Amy Chan @ [Amy.Chan1@tuvsud.com](mailto:Amy.Chan1@tuvsud.com)
- 7 TÜV SÜD PSB reserves the rights to make amendments to this set of instructions and customers will be informed via written notice of any significant changes.
