Subject: Registration of AC adaptors for table/standing lamps under the Consumer Protection (Safety Requirements) Registration Scheme

Dear CABs,

This circular is to inform on the change in risk categorisation for AC adaptors for table/standing lamps regulated under the Consumer Protection (Safety Requirements) Registration Scheme (CPS Scheme).

Enterprise Singapore wishes to inform that, for the purpose of testing and certification under the CPS scheme, the required safety standard for AC adaptors for table/standing lamps will be revised as set out:

| No | Controlled Goods | Current minimum edition of safety standard | Updated minimum edition of safety standard |
|----|--|--|--|
| 1 | AC Adaptors <ul style="list-style-type: none">AC adaptors for table/standing lamps | IEC 60598-2-4: 1997 (Valid till 30/11/2021) | IEC 60598-2-4: 2017 |

A grace period will be extended until **30th November 2021** for continued use of the current minimum edition of the standards for AC adaptors for table/standing lamps – IEC 60598-2-4: 1997. Thereafter, all new registrations or renewals of AC adaptors for table/standing lamps supported by the safety standard IEC 60598-2-4 shall need to comply with IEC 60598-2-4: 2017 as the minimum edition

The revisions laid out in this circular will not affect registration or renewal of AC adaptors supported by safety standards other than IEC 60598-2-4.
