

IATF 16949 audit transfer to TÜV SÜD*

As TÜV SÜD is an officially IATF-contracted and registered IATF 16949 Certification Body, you can be assured that certification will be conducted with the highest degree of professionalism and conformance to international guidelines and standards. Our worldwide network enables us to certify organisations' compliance to IATF 16949 on a global scale.

Our certifications are among the most reputed worldwide. Transferring your IATF 16949 audits to TÜV SÜD will help your organisation to gain and maintain the confidence of major suppliers and manufacturers in the automotive industry. Customers with valid IATF 16949 certificates can transfer to TÜV SÜD during surveillance or re-certification audits, or between two audits.

ENSURE THAT ALL CRITERIA ARE MET FOR A SUCCESSFUL TRANSFER AUDIT:

* Transfer audit rules mentioned here are explained as a macro level illustration. There may be some additional requirements for certificate transfers w. f.t. existing CB's accreditation status, customer's ownership, name change relocation etc.

WHY CHOOSE TÜV SÜD?

IATF 16949 certification takes quality and continual improvement into the heart of your automotive businesses.

Our value-added audits will enhance your organisation's process maturity and performance, delivering business success in the automotive supply chain.
